Our Vision

To be the company of choice for quality clients, and to deliver the best integrated printing, general and stationery with IT supplies solutions.

Why Choose Us?

Because we focus on results, for us, it's all about what adds **value for you and your business**. Above all, we want our words to work for you.

This is Why...

Attention to Details

It's our attention to the small stuff, scheduling of timelines and keen project management that makes us stand out from the rest. We are creative, while keeping a close eye on the calendar and your budget.

A Plan for Success

You want results. We have found that the best way to get them is with up front research of your company, competitors, target market and customer psychographics. Only after we fully understand you and your customers, is when we recommend a plan of attack.

Creativity

We bring our diverse background of advertising, design, branding, promotions, research and strategic planning to work for your company. Not only will your materials look great – they will get results.

Experts Only

First Impressions is comprised of specialists with corporate and agency experience that hail from various backgrounds. As such, First Impressions will never assign second-tier (or gasp! third tier!) support staff to any account.

Pricing

Our prices are competitive and fair. There are no surprise bills. Any unexpected or additional expenses must be pre-approved by you. That's how we would like to be treated, and that is how our clients are treated.

Meeting Deadlines

We have worked with several companies and institutes for a while, their rule – if we miss a deadline, we're out. Period. They have some of the tightest turnarounds in the business – and we've never missed a single one
